Dear Mr. Cyr:

I wanted to take the opportunity to thank you for the outstanding work that your company performed during the reconstruction of the Historic Tehachapi Depot. You are true craftsmen and professionals of the highest standard. We were especially pleased with the pace of construction and your willingness to continue to make changes to ensure that this community asset was done right.

Thank you again for everything. Aspen Builders is a true community partner and a first class construction company.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda Vernon".
